FOREWORD

The book “Contemporary Studies in Law” gives a comprehensive and multiple perspectives to the fields of law studies. Academic teaching staff, researchers, teachers, social workers, politicians, students and all other related people will get significant benefits from theoretical knowledge to experimental applications in this book. The book provides different perspectives and case studies through papers in order to make more clear and understandable the theory and practices. These interdisciplinary perspectives to law provide a strong contribution for further research.

The book is dedicated to the researches in law. Muharrem Kılıç’s study discusses legal ambiguities through unifies model. Mehmet Altunkaya underlines the importance of the property rights in Turkish civil law. The topic of Turkey’s legal jurisdiction over foreign vessels non-stopover passing through Turkish straits is written by Fevzi Topsoy. The authors of Gülcan Azimli Çilingir and Ulaş Milanlıoğlu present the conditions of democracy occurring inside political party within the context of the law of political parties in Turkish political context. The study carried out by Nur Kaman aims at presenting the importance of reflection of change in understanding of public service on positive law. Ayfer Uyanık Çavuşoğlu gives an overview on multicultural families: Turkish private international law perspective. Another author, Oguz Caner discusses on the new regime in Turkish law payment systems and electronic money. Tuğba Bayraktar and Ayşegül Çoban Atik’s paper the pilot and Pioneer decision applications of European court of human rights emphasizes various human right applications in European countries. Zeynep Özlem Üskül Engin shares an important women issue with the readers, legal and social developments in the issue of violence against women in Turkey. Musafa Aytaç Özelçi’s study is trying to evaluate the principle of the subordination of public administration to the law in light of latest legal arrangements. Ayşegül Çoban Atik gives a perspective of expropriation practice in Turkey from decisions of the European court of human rights in her another paper. Mehmet Atıl Abacıoğlu argues castration as a sanction in criminal law and gives different implications in his study. İlknur Uluğ Cicim underlines the recent development in the field of the maritime law in Turkey. The paper on international investment and dispute resolution methods in Turkey with regard to Russian investors presents a comparative perspective to the issue. Another important paper was written by Mine Turhan who argues trade union freedom and restrictions on trade union rights of civil servants in Turkey. Gülşen Gedik focuses on constitutional limitations on the legislative power to tax in Turkey. Güzide Burcu Günveren clarifies the Notion of family in the Roman law. Selin Sert presents the

issue of sex change in Turkish law while giving the comparative data with other countries. Tuba Kutođlu, Selma etiner and Hsn Turanlı underline the importance of protection of child against violence and neglect in accordance with 4721 n. Turkish civil code. Nazmiye zenbař examines Turkish law for the prevention of violence and disorder at sports events. Yakup Korkmaz's paper emphasizes the new developments on the protection of consumer law. Mehmet Altunkaya's another paper focuses on the opinions on the amendments regarding the transfer of agricultural lands in Turkish inheritance law. At the end of the law studies, Selin Sert underlines the package tour by contract 6502 announcements about the consumer protection law provisions.
